# Meet your New Director

Hello to you all! I am thrilled to introduce myself to you. My name is Kiley Hightower and I am proud to be your new Main Street Guymon Director.

To start... a little bit about myself. I am a Guymon native born and raised here and very proud of that. I was born here in the good ol' Memorial Hospital of Texas County to Michael and Kristy Powell-Patterson (also a Guymon native)

Early Pioneer Days with my sisters... Kelsey, me and Lindsay

I grew up 15 miles north of town on the farm where my family (Powell) originally homesteaded. I can remember events in Guymon when I was a little girl, like pioneer days when I was in grade school and the rider's would pass by Salyer School while I was playing on the playground or the ping pong drop off the bank.

I was also fortunate enough to have worked some really great places here in Guymon. My first job was cutting flowers and delivering arrangements for Cottage Accents. I then went on to work at other great Main Street locations such as Golden Crown, D&J, and Total Entertainment. It was those jobs that gave me a true respect and passion for what my home town was really about. As I grew up I created more memories with events like the Main Street Homecoming pep rally and the downtown Christmas parade. After graduating from Guymon High School in 1999 I moved on to OSU for a year, it was there I was given an opportunity to participate in an internship at the happiest place in the world... Disney World. I spent 4 magical months working at Dis-

ney's Animal Kingdom learning a great deal about the magic in a J-O-B, customer service, job responsibilities, discipline and so much more. After which I returned to the great state of Oklahoma, and went off to OKC to continue my adventure. I worked retail there for 3 years, but felt a great call to come back home. And here I am. I worked for Midfirst Bank for a while, but really wanted to be part of something big and exciting where I could spread my wings. It was then that Main Street came knocking on my door. I was so thrilled to answer and cannot wait for all the exciting things to come. I love my home town and everything it has to offer. So with that I'm ready to get started-the doors always open and I would love to hear from all of you-if you have any ideas, questions or concerns please feel free-I'm here ready to serve you and make this place we call home even better!

## Dedicate a Brick or Granite

This month Jan Donley wanted to her honor her mother Marie Ann Clem Donley for her 80th birthday. To do so her family purchased a granite tile for the Dr. Hayes building. Marie was so thrilled that she is going to come and see her granite on her birthday.

If you would like to purchase a brick or granite tile please contact the Kiley Hightower at the Main Street Guymon office at 580-338-6246.

## October is Breast Cancer Awareness Month

Every 2 minutes, there is a new breast cancer diagnosis.  
 Every 14 minutes, a life is lost to the disease.  
 Over 40,000 people will die this year; about 400 of them will be men.  
 85% of all diagnoses have no family history.  
 1 in 8 women will be diagnosed with breast cancer.  
 Breast cancer is the leading cause of death in women between ages 40 and 55.
