Greetings from the Director!

“Hello my name is Jeff Wagner! I’m the new Main Street Director!” Undoubtedly many of you have heard that over the last few weeks. Some of you have been out or tied up when I made my rounds, but fear not... you’re on my list! Maybe a few things you don’t know about me... I have been in Guymon for about 14 years. I met my wife Paula, a Guymon native, here and both of our children, Kali and Nathan, were born here. We are a very normal family... when we are all asleep! The rest of the time it is absolute chaos! But these days, I think that is probably normal. We have the same problems and concerns that every other person has these days, but we try very hard to keep it all in perspective. We love God, our family, our friends, our community, our state, and our nation! Guymon is our home, and we’re proud to be a part of it!

I am totally committed to what Main Street stands for! Now more than at any time before, it is crucial that we spend our money at home. Let’s make our own community strong and enjoy the benefits of our own tax dollars... spent on our schools, our parks, our facilities, and our infrastructure! I look forward to meeting the rest of you at your earliest convenience. Please stop by and see me if you have the chance... the door is always open!

MAIN STREET DAY AT THE CAPITOL

On the 17th of March I was in OKC for Main Street Day at the Capitol. This is a chance for all of the Main Street programs from around the state, to get together and meet with their legislators.

It’s a great time to share ideas and concerns. Let’s give Senator Marlatt and Representative Blackwell a “Thanks” for taking the time to meet with us!

St. Patrick’s Day

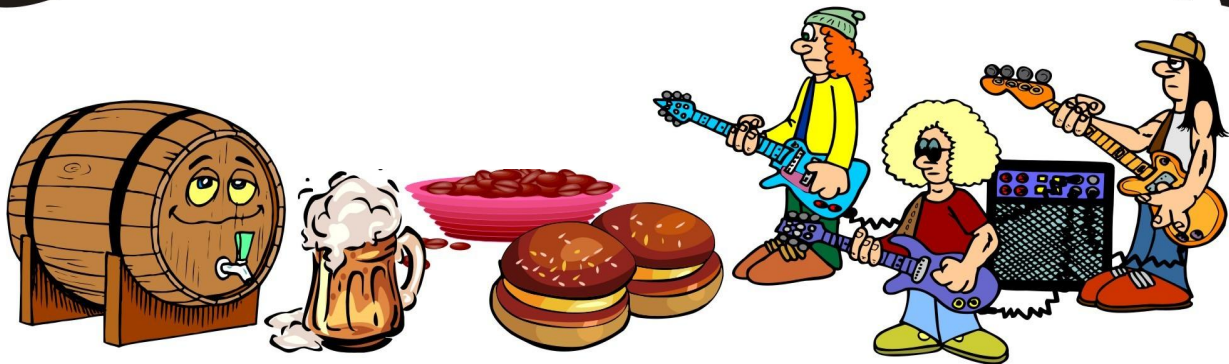

Saint Patrick's Day is an annual feast day which celebrates Saint Patrick (*circa* AD 385–461), one of the patron saints of Ireland, and is generally celebrated on March 17. It is celebrated worldwide by those of Irish descent and increasingly by non-Irish people. According to legend, St. Patrick used the shamrock, a three-leaved plant, to explain the Holy Trinity to the pre-Christian Irish. Saint Patrick's Day parades have a long history in North America. The Irish Society of Boston organized what was apparently the first Saint Patrick's Day Parade in the colonies on 17 March 1737, although there are debates as to when the first parade took place!
