1	Keep up the great work! You are appreciated!!	4/30/2019 2:58 PM
2	Not at this time.	4/17/2019 8:45 AM
3	For this survey, each one should have a description of what they do or how it benefits, for those of us that are not aware of some of these. Also, a place to add comments for each, to separate suggestions. I would be interested in being a secret shopper as well as for restaurants, the customer service, food, good deals, how they handle complaints, and then have a blog in the newspaper, anonymous of course, so they can see how their supporters are responding and know where to improve. The mentoring program, I've never read about anything regarding this, what kids could go or volunteers for this program? Is it like a big brothers program? I agree we need mentoring programs but they should be more made aware of to the community. 4. Breakfast and Business with BOP offered classes for business owners and managers. Is this a program we should continue? I would need more info on this but I think this should be the responsibility of the business owners to provide this to improve performance. jenniferldaniels45@gmail.com if you would like to contact me further. Thank you for this opportunity	4/16/2019 4:42 PM
4	haven't heard of many of these programs, I'm interested and would be nice to know where we sign up for these, such as, the mentoring program never heard of it, also, would like to join the shutterbugs, where do i sign up, and I'd love to be a mystery shopper, but I've never seen a review of them anywhere. i would like to know how these programs are doing.	4/16/2019 4:26 PM

27	Keep up the good work	3/27/2019 11:38 AM
28	Work brining more projects that will impact the City of Guymon as a whole and will be inplace for generations to come. Work on actual changes to Main Street, historical district instead of concentrating on nothing but events. Events are good but seeing actual change is what will make this community grow. On the Bricks Column, many find offensive or as if they are being lectured.	3/27/2019 10:25 AM
29	KEEP UP THE GOOD WORK. IT HELPS BUSINESSES KEEP UP WITH WHAT IS GOING ON IN GUYMON	3/27/2019 10:23 AM

36	Keep it to Guymon Main Street improvement.	3/26/2019 4:33 PM
37	I like Dr. Faltyn's approach. You can't be good at everything. You can be good with programs that do engage the community and business members. The programs that do not engage people can be phased out.	3/26/2019 3:20 PM
38	No	3/26/2019 3:07 PM
39	Getting your knowledge, drive, and involvement exposed as much possible to the youth/schools would benefit not only our children but the future of Guymon. 45	Bring back the Car show, Sunflower festival, Christmas parade and add maybe a once a month "Summertime Saturday night" street dance featuring local bands. Charge a minimal 5/per. 10/couple Armband drinking. Bring fun to downtown. Think about, sidewalks lined with lawn chairs and people having a great time!	3/26/2019 12:49 PM
46	Be sure to get the word out multiple ways. Fewer and fewer people seem to be subscribing to the paper. Has Lunch Mob stopped? No word to me the last two months.	3/26/2019 12:33 PM
